FROZEN PLANT-BASED PRODUCTS

Developed to meet the growing demand for convenient, high-quality options. Easy to prepare and ready in minutes, they deliver great taste, consistent quality, and efficient, time-saving solutions.

TART CAKE (CHOCOLATE)

Made without eggs and dairy. Using rice flour and Okara Konnyaku (konjac and soy pulp) offers a crisp tart crust, while the batter provides a smooth, melt-in-the-mouth experience.

Pack size: 14.11 oz (200 g) × 24 boxes
Carton size: 585 × 205 × 224 mm
Shelf life: 12 months
Made in: Vietnam
Contains: Soy

Preparation Methods:

- ◎ Room temperature thawing: about 1 hour
- ◎ Refrigerated thawing: 2–3 hours at 5°C
- ◎ Microwave: 1000W, 20 sec per piece

OKARA KONJAC KARAAGE

Crispy outside, tender inside — made from Okara Konnyaku (konjac and soy pulp) for a meat-like texture. Rich in dietary fiber and 100% vegan certified, making it tasty, eco-friendly, and sustainable.

Pack size: 17.64 oz (500 g) × 10 bags
Carton size: 340 × 240 × 185 mm
Shelf life: 18 months
Made in: Vietnam
Contains: Soy, Wheat

Preparation Methods:

- ◎ Room temperature thawing: about 1 hour
- ◎ Deep fry: 170°C, 4 min
- ◎ Microwave: 1000W, 1 min (100 g)
- ◎ Air fryer: 200°C, 8 min
- ◎ Oven: 180°C, 11 min
