Anti-aging Boosts Resistance

Diabetes Cancer

Cholesterol

Getting this super nutrition to market has always been impossible because during the milling process, within hours after separation from the kernel, the bran begins to turn rancid and unfit to eat, making it impossible to package and distribute.

Sol-u-Bré™ is made of stabilized rice bran called S. R. B. It is one of the most nutritious, all-natural food products available in the world. While it is well known as a great source of fiber, it also contains all of the essential vitamins, minerals and essential fatty acids (EFAs) necessary to maintain full health. There are in excess of 70 antioxidant compounds which serve as free radical scavengers, reduce cholesterol and mitigate against certain diseases.

Sol-u-Bré™ is the Best Super Food in the world today!!

All kinds of way to mix Sol-u-Bré! Example from our customers: Based on 1 table spoon full of Sol-u-Bré
1) Mix with Milk or Soy Milk and cocoa.
2) Mix with any kind of juice.
3) Mix with Pan cake mix.
4) Mix with Banana(half), Milk or Soy Milk(300cc)
5) Mix with miso soup.
* Do not cook Sol-u-Bré, Vitamins are easily destroyed with high heat!

Cleanses Circulatory System

We only use!!

Natural & Kosher certified Brown Rice !!

Because It's Specially Treated!

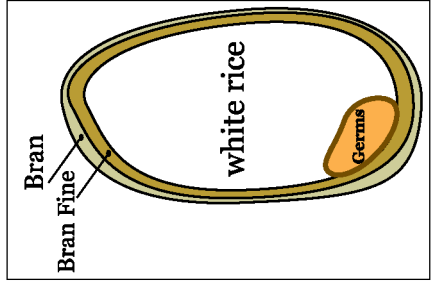

Vitamins and Minerals are

still ALIVE in Sol-u-Bré!!

Sol-u-Bré

Lists of Vitamins and Minerals still Alive in Sol-u-Bré

Table listing vitamins and minerals: Vitamin A, B, C, D, E, B1, B2, B3, B6, B12, K, Folic Acid, Biotin, Choline, Chloride, Chromium, Copper, Iodine, Inositol, Calcium, Potassium, Magnesium, Manganese, Phosphorus, Sodium, Selenium, Sucrose, Iron, Zinc.

Ingredients: Soluble Rice Bran, Stabilized Rice Bran, Germs.

All of the Vitamins and Minerals in our Sol-u-Bré products are all from mother nature. NOTHING is added or taken out from our Sol-u-Bré. Sol-u-Bré = Bran Fine + Germs

Sol-u-Bré is treated with special technology called unheated process. That's why all the vitamins and minerals are still ALIVE! 1 table spoon full of Sol-u-Bré is same as eating 7 to 8 bowl of brown rice!!

Cholesterol

100% Natural NO CHEMICAL treated and Kosher certified !!

Sol-u-Bré™ is produced using a major break-through in extrusion technology, the only commercially viable method of stabilizing rice bran. The active compound is 20 times more potent than Vitamin E, and 60 times more potent than Vitamin C, and considered one of the best Antioxidant available.

RICE

Rice symbolizes life's abundance and good luck throughout the world. Many ceremonies and feasts surround its cultivation and harvest. For thousands of years it has, and continues to be the largest source of human nutrition on the planet. The mysteries surrounding it's nutritional center, the bran and germ, are just now coming to light. Some call the thin brown coating between the rice kernel and the fibrous hull the nutritional essence of the entire rice plant. Why? It is here where an untold wealth of vitamins, minerals and newly discovered disease fighting antioxidant are found. Nothing is this complete on the store shelves.

Good for Pet too?

Yes! Sol-u-Bré is also perfect for pets! Dogs, Cats, Horses! Pet breeder are very happy with sol-u-Bré, because pets get healthy, at the same time, pets grow good coats of fur!
