

# SPROUTED BROWN RICE

When brown rice is germinating, nutrient levels soar in-order-to create new life. Germination is truly a miracle.

Besides those listed above, SBR has many other nutrients such as VitaminB1, Magnesium, Calcium, Potassium, Zinc, etc.

Sales Information:

please call **N.H.B. Quest, Inc.** @ 310-928-1585 for more information or info@NHQUEST.com

Milacle of Rice :

100 % Natural Grown Brown Rice.

Lot of Amino Acid, paticularly GABA (Dual Face side)

was increased by germinazation.

By the activation of enzymes, protein,

carbohydrate etc., the rice can be easily digested.

Very easy to cook and most of all, taste great !!
